
PAID INTERNSHIP PROGRAM

HELPING BUSINESSES AND INDIVIDUALS SUCCEED!

Because we know business success and a quality workforce are linked, we are providing opportunities for local high school (Jr. & Sr.) and college students to gain valuable work experience at area companies representing a wide array of industries.

Get started

- Find program info at <https://www.ashtabulagrowth.com/youth-involvement>
- Businesses provide intern positions to GP
- Students must submit program app. by deadline
- Students attend program workshop
- Students interviewed by GP and company

Intern benefits

- Get paid to gain valuable experience and skills development
- Develop life skills needed to be successful
- Prepare to be a valuable employee today and in the future
- Experience a company or career path
- Build relationships and expand your network

Company benefits

- Get a quality employee for 6-8 weeks who could become a permanent hire
- Establish relationships with local schools that are graduating 800-900 students each year
- Build a sustainable workforce pipeline
- Market yourself as an employer of choice

Take your path to success!
