Growth Partnership *Investor Benefits*

How to get the most out of your investment!

Growth Partnership Special Events

Quarterly Investor Meetings

GP holds quarterly investor meetings to provide updates about the projects and activities being managed by staff and committees. The event is usually combined with a speaker to discuss economic or other issues important to Ashtabula County and GP investors.

Legislative Luncheon – August

GP's Legislative Luncheon provides an opportunity to meet with Ohio federal and state representatives. Discussions focus on current issues and legislative priorities for the county/state. Investors have an opportunity to share their wants and needs for support.

Best of the County Awards Dinner – September

GP's Best of the County Awards has been a signature event in Ashtabula County for more than 25 years. The event celebrates the best of Ashtabula County, recognizing outstanding contributions to economic and community development, quality of life, and innovation in Ashtabula County. [Click here](#) to learn about past events.

Economic and Workforce Development Events

GP engages investors and the community to solicit input and provide updates on strategies and future plans for economic and workforce development in Ashtabula County. Events may feature speakers addressing key issues and opportunities for success with investor input.

Why Join Growth Partnership?

Invest in the Future of Ashtabula County

The decisions we make today will impact our county and communities well into the future. GP's work to build a diverse sustainable local economy will improve Ashtabula County's success for generations to come. As a GP investor, you can get involved by getting knowledgeable on the issues and opportunities, and better communicate the importance of civic engagement to your employees, colleagues, and friends.

Take Advantage of Our Resources

Want to access resources and support to help your business grow? GP can provide you valuable resources such as market data, funding opportunities, workforce support, project support, advisory resources, and much more! Our team is here to help your business maximize its potential and contribute to the overall growth of the county.

Make Strong Business and Civic Connections

As an investor in GP, you have the opportunity to interact with leaders from every sector of our economy. Attend investor and networking events throughout the year – both in person, and virtual – to build your business and civic network. Promote your business at GP events and through our website directory and regular publications.

INFRASTRUCTURE

Identify industry needs and community assets, and find funding for critical infrastructure investments.

INCENTIVES

Secure grants, loans, and tax exemptions for business expansion projects that provide positive economic (jobs) and fiscal (tax) impacts throughout the County.

GROWTH PLANNING

Design and implement strategies to enhance economic growth and sustainability throughout the county.

MARKETING

Promote Ashtabula County as a great place to work, live, and play to outside investors.
